ABOUT

I'm a Game Designer and Writer, with 5 years of experience in game design and 10 years of experience in writing. I'm passionate about both creating and playing video games, and I like to face new challenges in bringing fresh ideas to life.

WORK EXPERIENCE

DIRECTOR, GAME DESIGNER, WRITER

VOiD| 2015 - Present

- Developed a game called "Pursuit of Redemption" for PC
- Led a team of 6 Game Developers
- Wrote Scripts for cutscenes, in-game dialogues, and collectibles
- Designed over 50 puzzle, platformer, and top-down levels

GAME DEVELOPER

Legends of Learning | 2019 - Present

- Developed 5 WebGL math learning games with Unity
- Received overwhelmingly positive reviews by teachers and students
- Satisfied the learning objectives given by Legends of Learning
- Used Jira for Scrum
- Collaborated with the team members using Miro
- The games are published on Legend of Learning's website and played by thousands of students

VR DEVELOPER

University of Tabriz| 2018 - 2020

- Developed a VR Game Development Platform using Unity Engine
- Worked with SteamVR plugin
- Published the results of my work as my Master's Thesis
- Developed a project using the platform for "National Elite's Foundation", as the project manager of a team of 10
- The Platform is currently being used by the University's students to develop VR games and apps
